

nkhani [n-karn-ee] means 'news' in Chichewa

## Back to School!

Teaghan, Lucas, and Caya have just begun a new school year at the beginning of September. Here is what they had to say about it:

**Teaghan (Year 2):** *I love my teacher [Miss Kasambala] because she teaches us good maths and good topics. She gives us homework for year 2. I learnt how to split numbers in Maths.*

**Lucas (Reception):** *I get to go to swimming. I write at my desk, and I have two books - one for Letterland, and one with pictures and words. There are cars up high on a shelf on top of the red cupboard.*

**Caya (Pre-Nursery, 3 days):** *Uh... bears bears, Pooh Bear, ducks, Caycay duck. Daddy Menyayzi, Caycay donkey, and Mummy donkey (the school farm has two donkeys and a camel called Nyenyezi).*

*galimoto - car  
mthuthumula - motorbike  
basi - bus*

One of the hardest things about being missionary kids is being away from grandparents. We miss Grammy, Grandpa and Grandma terribly and miss spending time with them.

So we were super excited to have Grammy visit us in Malawi in June-July. We enjoyed having tea parties with Grammy, showing her around, and taking her on a safari. We even celebrated Christmas in July together!

## Visit from Grammy

# Kids Bible Club

**Teaghan:** *This month, we had our Kids Bible Club. We put up some signs so that the kids would know that it was on. They saw the signs and knew to come here. We put up a big banner on our gate.*

*We learnt about Joseph. He was sold to Egypt, became a slave, and went to jail. We learnt that God was always with Joseph and he is always with us, even when bad things happen.*

*There were lots of kids and we made new friends. My friend's name was Annie and she was a big girl. Lucas' friend was called Matamando.*

*They enjoyed kicking and throwing the beach ball we blew up. They were so happy. Mummy also blew some bubbles, they loved them so much!*

**I can do all things through Christ who gives me strength.**

Philippians 4:13

## Precious water

We visited a village family in May where we got to try carrying water on our heads. 5-year-old Grace (with blue basin) helps her family fetch water everyday. We're getting a small taste of what life is like with limited water now as we have water-outs daily. Teaghan helps by getting water from our water bins outside to wash the dishes.

## Prayer Power

**Thank God** for the start of a new school year.  
**Thank God** for the kids that came to the September Kids Bible Club.  
**Thank God** for Grammy's visit.  
**Thank God** for precious water.

**Please pray** for Caya who is still getting used to the idea of pre-nursery school.  
**Please pray** for Grace and her family in the village that God would provide for their every need.  
**Please pray** for the next Kids Bible Club meeting on 11th October.  
**Please pray** that we would rely on God's strength more and more, and not our own.

## New Video

We recently made a short video of the Onglets for the Sunday School at our home church in Sydney (Dural Baptist). It gives a good overall introduction of what we do and why we do it! Check it out here:
